Take Four: Above The Line, Book 4

Synopsis

A New York Times Bestselling Author, A CBA Bestselling Author -- After Chase Ryan returns to his family and a job in his hometown, filmmakers Keith Ellison and Dayne Matthews finally ink a deal to have the nation's top young actor star in their current film. But at the same time, the actor takes a very public fall that threatens his reputation among his fan base. The new producers find they must truly act as missionaries in order to help save the film, their families, and the young movie star.

#101 inÂ Books > Audible Audiobooks > Fiction & Literature > Short Stories #596 inÂ Books >
Literature & Fiction > Genre Fiction > Urban Life

Customer Reviews

This book, along with the other three in this series tells you more about the Flanigan family, the Baxter's and Andi's family. This is about Movie making, but also about faith and family. You are so excited to find out the rest of the story, you can't put this book down. This book will help increase your faith and your love of family. You see the sacrifices people go to that help others.

Excellent story! GOD Works in so many ways. HE teaches and blesses, disciplines and renews. This book is the story of GOD at work in many hearts.

Karen Kingsbury has to be the greatest author I have ever read. Take Four is the last in this series of Above the Line. The characters and the daily struggles they face are so real and she truly brings out that just because you are a Christian, you are not exempt from life's hurts, losses, temptations

and failing at times in your walk with God. She also shows just how moving out from under God's Grace will only bring heartache. I loved, loved, loved this book just as I have every Karen Kingsbury book I have read. If you read her books you will never be able to say that you have never heard the plan of salvation. Thank you Karen, keep them coming.

I've read many of her books starting with the Redemption series into this series and it's been amazing. Going into the Baily Flanigan series now and just seeing how all the characters have evolved since I started is truly something special. Even though they are fictional characters, the conflicts and situations are so relatable.

I could not put it down. It has inspired me to pray even more diligently for my granddaughter who will start her second year at a major university. Karen Kingsbury has a true gift.

The final book in this series held me captivated. I appreciate a story that unfolds through characters who are multi-dimensional...very real. Excellent story telling that stimulates one's faith and challenges one's purpose in living for Christ.

The last book in Karen Kingsbury's series delivers a satisfying end to the series. Although you are left wanting more, its coming (Great news!! a new series about Bailey Flanigan)Karen Kingsbury has a way of writing books that are better than any movie that can be made from them - she personalizes each paragraph so you can picture it perfectly in your head. It was particularly satisfying to see Andi return herself to the Lord and feel the connection that she realizes she has done the right thing - and how perfect that her child will find the Baxters!! Knowing that even though you have strayed, that even though costly mistakes are made, the Lord continues to love and uphold you and help you find the right path for you again is so comforting. The entire series has been well worth the read and I am so thankful for Karen Kingsbury - whose novels touch my heart and fill my soul!

I loved the feeling of the constant attitude of prayer in all four books! This last book is heart wrenching. I was bawling! It is also heart healing. Mrs. Kingsbury has definitely felt the grace of God because there really is no other way to describe it the way she does through the events and the characters in this book.
