Guatemala Pacific Slope Birds Wildlife Guide (Laminated Foldout Pocket Field Guide)

Synopsis

This guide focuses on the birds you will see while exploring Guatemala's Pacific slope. Illustrations are full color, beautifully detailed, and scientifically accurate illustrations by respected artists who live in the region. Robert Dean and Mark Wainwright are known for their detailed work. Consultation: Listado de Aves y Consultoria: Jesse Fagan. The guide includes a map with habitat types, hiking trails, bird watching locations, and more. This is a highly portable waterproof full color scientifically reviewed field guide When folded, the guide is only 3.5" (9cm) by 8.75" (22 cm). It contains twelve 9cm by 22cm "pages" plus front and back cover pages, and when spread is approx. 24" (61cm) by 8.75" (22 cm) Rainforest Publication's wildlife guides are the perfect companion if you're a naturalist, bird watcher, or adventure traveler.

Customer Reviews

Rainforest Publications specializes in the Wildlife and Natural History of Central and South America. Our wildlife guides are the perfect companion if you're a naturalist, bird watcher or adventure traveler. Our illustrators live in Costa Rica and are tops in their field of interests. Our scientific staff continually updates the guides so the information is complete and accurate. Our print company is locally owned by its employees. Our guides are printed in the US on recycled paper.

Beautiful and accurate. We lived in Guatemala for seven years, and enjoyed many of these birds. It is by no means complete, and actually does not include several of my favorites, but it is a beautiful conversation piece or starter for a trip down memory lane.

Recd on time. Went to Guatemala on a Mission trip for a week. Did not get to bird much but I did get a lifer. We easy to carry with you at all times and the picture are very good.
