In this guide you will find our Top 20 to the must see sights on a trip to Amsterdam. Amsterdam is known for being an open-minded city, with a very liberal view on soft drugs and prostitution, but it is also known for other things. Amsterdam is very cultural, and has many museums and attractions, such as the famous Van Gogh museum, and the Rijksmuseum, but you can also find lesser known gems here. The historical city center of Amsterdam is very beautiful with canal after canal full of old houses fighting for place on the sides of them. The locals are friendly and open towards visitors, and, if you only ask, will be very happy to help you find your way, or recommend somewhere you should see. Of course, Amsterdam is one of the top biking cities in the world, so hire yourself a bike from one of the many cycle shops, and experience Amsterdam as a local. I would recommend this. I thought it would be more than 20 pages for the price, but the information was useful.
