Potter Style, an imprint of the Crown Publishing group, is a high-end gift book and stationery line, specializing in lifestyle, design, art, fashion, humor, and DIY.

This is a nice hardcover book with many quotes from many of Jane Austen's popular books. Each page contains a single quote and refers to the book in which it may be found. It measures 5" x 3.75" and is about 1" thick. It is divided into 10 'chapters' with each chapter containing quotes that pertain to a particular subject. For example, chapter 3 is 'Mistress of Myself'. The pages are of a nice solid paper. Not quite as thick as construction paper, but firmer than regular printer paper. There also a nice attached ribbon for use as a bookmark. I think it is very reasonably (frankly surprisingly) priced at under \$7.

Beautiful book. I have it on my end table in my living room to display. Its that lovely.

I love Jane Austen, so I knew that my secret santa giftee would love this book. It arrived on time, was in pristine condition, and was a great coffee table read according to my giftee. I would definitely

buy this book again!

This is a great compilation of the wittiest and most pleasing quotes from the many different Jane Austen novels. It's the perfect gift for any Austenite.

Gave it as a gift and was disappointed that the corners of the book were bent. I didn't have time to return it or I would have. Other than that, okay.

Bought this for my SIL who is a huge Austen fan and really wanted it for myself (also a huge Austen fan).

My bff loves Jane Austen and was so excited to get this book of quotes from her novels.

Great product.
