Gospel Light publishes a wide range of fun and creative kids resources in a multitude of exciting formats. At Gospel Light, we remember what it's like to see the world through a child's eyes. We believe the best way to reach kids for Jesus is by teaching about God and His Word through hands-on activities that engage a child's intense curiosity, openness to learning new things and desire to love and be loved by Jesus. That's why we offer a variety of Bible curricula for every age child, Vacation Bible School programs, music and media that reinforce Scripture learning and Bible-based studies; all filled with engaging, hands-on activities that keep kids involved in Bible learning designed just for them! For over 80 years, we've been equipping leaders

and teachers with the best tools for drawing kids to Jesus and leading them in a lifelong relationship with Him. Our ministry resources are designed to engage the minds and hearts of children, to teach God's Word and to fulfill the same mission we've had since 1933: "To know Christ and to make Him known."

Love it. There are so, so many good ideas that just inspire you - even if you don't have the right materials - and plenty of the games need no material or simply things you might have lying around at home or at church. Love it.

I am fortunate to have found this book. It met my needs because it provides games on three age levels. I like the focus on story review, memory verses, and ways to apply the lesson taught in the lesson to our everyday lives. Each of the activities can be used many times, they are not specific to just one Bible story.

Just got this book today and was looking through it. I am so excited, the games are so simple and awesome with children of different ages included. I would buy this book again and will recommend it to friends.

I think they overthink some of the games forgetting that they are geared toward children who have VERY short attention spans. It gave us some great games though and ideas for creating some of our own. I'm happy with the purchase.

Couldn't wait for its arrival. Get ready children! Your Sunday school teacher has some new fun games coming your way. Excited and the children will be too.

Wonderful resource ! Extremely useful resource for Sunday School. The kids enjoy the games. Will use it for Vacation Bible School.

Great book in like new condition. Would use again.

The children I teach in Sunday school love to play these games.
