Gee wiz, what an engaging book. E B White takes us to a time when life was simpler, home based and full of family. He takes us to a farm with a young girl who is distressed when her father is going

to kill a pig, the runt of the litter. What happens to Wilbur , the pig, Charlotte the spider that lives in Uncle's barn, where Wilbur resides. changes lives. This totally wonderful book is full of wonder for every age. Read it by yourself, read it with your children. if you are a lover of life you will love this book. .

I am two thirds of the way through this set. This is my first time listening to Charlotte's Web. I've watched the original movie with my daughter so many times I have the lines memorized. Now we are empty nesters and I have discovered these wonderful cd's. I listen to them in my car as I drive back and forth to work. E.B. White has a beautiful story telling voice. He is warm and inviting to listen to. Highly recommend this set!

Reading Charlotte's Web to my children has been a joyous experience. It's rare to find such elegant prose in children's literature. Hearing this delightful book is a quintessential part of being a child. Reading it a quintessential part of being a parent.

I bought and read this for a "Children's Literature" class. I had read it in the 50's, in grammar school, and enjoyed it greatly even now.

It has been years since I read Charlotte's web. It is as endearing as the first time. The movie is almost as good but nothing quite beats a book. Over the years I have read several of E.B. White's books. They are all worth reading. They could be a good way to introduce chapter reading to a child. But none holds my heart like Charlotte

A truly wonderful classic. Nothing beats Charlotte's Web. A childhood favorite about Fern and Wilbur and all the animals. Charlotte and Templeton are my favorites. Love the color illustrations.

A classic children's story, which never fails to make a terrific gift. I actually read it again myself before presenting it to a new mom for her daughter. This book has special memories for me as my big sister used to read this story to me, & used it as a tool to teach me to read before I entered 1st grade.

E.B. White's voice and performance of his words are grandfatherly and perfect. I cannot imagine an actor better capturing the down-to-earth charm and fantasy of this masterpiece tale. My wife and I

enjoy the recording as much as our children do, and this has helped ease multiple car trips.
