## Customer Reviews

Beth Blair is a freelance illustrator and graphic artist. She lives in Canterbury, New Hampshire.

I got this to have in the car for an 18 hour trip to WI. It did a great job of keeping my (then 4 yr. old) busy. Great book. Just add some crayons for lots of fun.

I was not expecting a lot when I found out it was such a cheap price. But when I got it in my mail, I was shocked. There weren't just boring coloring pages. There were actually high quality pages of fun and games that weren't just cheaply materials. I was amazed, and I strongly recommend this product for children in car rides. This will keep them busy for a long time.
