Synopsis

Better Keep The Lights On: Creepy Stories Of Present-Day Haunted Placesâ |Claim Your FREE Books Each Week With This Book! If you are one of the special few who have spotted an unusual occurrence or experienced something otherworldly, then you probably know how powerful the feeling is. Just to experience something as frightening and nerve-wracking as seeing a spirit challenges the very foundations of what we have been allowed to believe in and accept as truth. This book is a reminder that ghosts are just about everywhere, ranging from the dark and dingy tunnels underground to the busy, lively corridors of a school. Even steadfast skeptics sometimes find it impossible to explain some things that they see with their eyes and yet are unable to believe. In this collection, you will find true hauntings in places across the world, each different from the other in terms of the kind of spirits and activities present to the dark history of the past. The kind of entities in these locations range from mild to restless spirits that do no more than appear in front of people or play a prank or two! But beware, you will also find others with more malicious intent and tremendous aggression that have caused unusual and frightening incidents that would shake up even the bravest souls. Switch off the lights and read this in the night and you just might experience the creepiness almost as if you were there too...Hereâ™s A Preview Of What's In This Book...True Hauntings: Tragedy and Tears in the Chapel of the CrossTrue Hauntings: Revenge and Blood on the Shores of Changi BeachTrue Hauntings: Ghostly Inmates Trapped in a JailTrue Hauntings: Crime, Punishment and Ghosts of the Galleries of JusticeTrue Hauntings: The Sinister Edinburgh Vaults and Its GhoulsTrue Hauntings: Grisly Murders and the Entities in Mission San MiguelMuch, much more!Scroll Up and Get Your Copy of This Book Today!

Customer Reviews

I really enjoyed reading this book. The True Ghost Stories written here are really interesting. I am a true believer of ghost and their haunting's. I have had several encounters with ghost and even talked with one in a old Antique Store. I think people who are open to the idea that they do exist are more likely to experience them from time to time. This book was well written. Keep up the good work. Mike MLafayette, Alabama
