Product Dimensions: 7.6 x 0.1 x 9.3 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars 22 customer reviews

Best Sellers Rank: #95,146 in Books (See Top 100 in Books) #22 in [Books > Children's Books > Education & Reference > History > United States > Civil War Era](#) #37 in [Books > Children's Books > Education & Reference > Government](#) #47 in [Books > Children's Books > Biographies > U. S. Presidents & First Ladies](#)

Age Range: 4 - 8 years

Grade Level: 1 - 3

Customer Reviews

The prolific Adler (Cam Jansen) and the Wallners have collaborated on two highly accessible and involving picture-book biographies. Each book begins with the childhood of the leader and firmly places its subject within the continuum of American history. The texts are brief yet succinctly include the major contributions of each man within the constraints of the picture-book format. A single page outline of "Important Dates" closes each book. The Wallners' colorful illustrations are sometimes a bit cartoony for the no-nonsense text, but many readers may find these perfect introductions to the lives of two important presidents. Ages 5-9. Copyright 1989 Reed Business Information, Inc. --This text refers to the Audio CD edition.

Grade 1-3-- These books are a step easier than Adler's "First Biographies" (Holiday). Facts and personality are expertly mixed in the small blocks of text; Adler does a good job of covering

character traits, family members, and large events without overburdening readers with too many facts. Calm, uncluttered color paintings add visual interest, extend the text (sometimes rather far: readers will have to find out elsewhere why the Boston Tea Party was "attended" by native Americans), and ennoble their presidential subjects--Lincoln, with an extra homely face and dark clothing, always stands out in a group, and Washington is last seen on a tall horse, atop a bluff, waving to a passing eagle. Some simplification is inevitable--Lincoln's election is the only mentioned cause of the Civil War and there's not a black face to be seen in . . . Washington, for instance--but by and large, these are inviting gateways, both to the array of longer books on these two presidents, such as Kathie Billingslea Smith's (both Messner, 1987), and to U.S. history in general. --John Peters, New York Public Library Copyright 1989 Reed Business Information, Inc. --This text refers to the Audio CD edition.

Excellent introduction for elementary aged children. I love this series to use along with our homeschool curriculum for history.

Probably for kids over 9/10. I got it for my kindergartener... it has a lot of violence.

Good book. A little wordy for Kindergarteners, but easy to summarize. I skipped the picture of Abe sitting in a chair and his assassin standing behind him with a gun pointing at his head. A little disturbing for kindergarteners.

Very informative book, ends with the sad reality of Abrahams death.

Very good my daughter love it

Awesome!

was gift for my daughter who is a teacher

My Grandson loved this book. He's five years old and he just went to Washington D.C.
