# 3-Minute Reading Assessments: Word Recognition, Fluency, And Comprehension: Grades 1-4 (Three-minute Reading Assessments)

## Synopsis

Leveled passages with ready-to-use assessment pages help teachers quickly screen students for reading problems, such as low word recognition, poor fluency rate, and inadequate comprehension. Rubrics and grade-level norms make interpreting the data simple and easy, and record-keeping forms allow teachers to document and monitor student performance all year long. Meets Reading First guidelines.

## Customer Reviews

Excellant for building reading fluency. use timer on cell phone and make it a game for improvement.

I use this all the time with my students and bought this copy for my granddaughter that recently graduated from college with a teaching degree. Fast and easy assessments that chart growth.

This 64 page book is packed with useful ideas and tools on every page. The short assessments are easy to use and deliver the needed information to tailor reading instruction for any student. I would recommend this for anyone who wants to know exactly where each student's strength or weakness lies.

I needed this in hard copy. Not beneficial to copy from kindle.

Extremely helpful suggestions. Much of work already done for you. Practical and effective. Especially value implementation plans. Bound to assist with tackling third grade reading guaranty.

A nice, quick assessment for fluency and cwpmm speed. The passages are a little off when compared to Lexile scores...but not where there are invalid results.

Great for students learning English.

Would have liked print features or the ability to copy/paste for printouts. Otherwise, the book is fabulous.
