Customer Reviews

I'm very pleased with the product. Thank you a lot. Luiz Fernando, from Brazil.

Great entrÃ©e into Paris!

See comment above on similar Michelin Guide product. My limited ability in reading French made this otherwise wonderful guide not as useful as I had hoped. Not the fault of Michelin but of my paucity of knowledge of the French language.

the website (product description) says this book is in English - it is not - its in French and close to useless for me

I might like it if I could read it...not in English. I will be returning.
