## Synopsis

The Brahma Sutra - The Philosophy of Spiritual Life by Dr. Sarvepalli Radhakrishnan Pages - 608

The Brahma Sutras (Sanskrit: ब्रह्मसूत्राणि ब्रह्मसूत्रं ब्रह्मसूत्रं ब्रह्मसूत्रं) is a Sanskrit text, attributed to Badarayana, estimated to have been completed in its surviving form some time between 450 BCE and 200 CE.<sup>[1][2]</sup> The text systematizes and summarizes the philosophical and spiritual ideas in the Upanishads.<sup>[3]</sup> It is one of the foundational texts of the Vedānta school of Hindu philosophy.<sup>[3]</sup> The Brahma Sutras consists of 555 aphoristic verses (sutras) in four chapters.<sup>[4]</sup> These verses are primarily about the nature of human existence and universe, and ideas about the metaphysical concept of Ultimate Reality called Brahman.<sup>[3][5]</sup> The first chapter discusses the metaphysics of Absolute Reality, the second chapter reviews and addresses the objections raised by the ideas of competing orthodox schools of Hindu philosophies as well as heterodox schools such as Buddhism and Jainism,<sup>[6]</sup> the third chapter discusses epistemology and path to gaining spiritually liberating knowledge, and the last chapter states why such a knowledge is an important human need.

## Customer Reviews

George Washington Carver (1864-1943) was to discover many things

Q: what was his greatest discovery?

A: G-D loved him! was the greatest discovery he ever made.

One of the important things

he learned about GOD was THATG-D answers HIS children's prayers. One time George needed (wanted) a pocketknife but had no money. George prayed (and prayed and prayed and prayed) that night, believing that his Heavenly FATHER cared about 'the little things'. George dreamed he was walking down by the edge of the corn field and 'saw' a big juicy watermelon split right in half. Some rascal had scooped out the juicy red meat, but in the other half of the melon the black handle of a pocket-knife stuck out. The next morning, even before he tasted his cornmeal mush, 1) (George woke up 2) George got out of bed) 3) George raced down to the corn field, 4) George 'saw' the watermelon 5) George found the knife. GOD had cared enough to answer his prayer! George was encouraged to trust G-Dp.s.G-D is! (t) HE ONEWHO answered George's prayer G-D is! (t) HE ONEWHO created George's dream. U.S. Department of Justice, while you were sleeping I went fishing in The Brahma Sutra The Philosophy of Spiritual Life by S. RadhaKrishnan (1960) look at what I caught and reeled in from page 85: Even dream experiences are real! Dreams are not created by the individual through his/her personal effort (expertise?). Dreams are created by G-D! p.p.s. chew! chew! » »
