Customer Reviews

This is a tiny pocket-size book. Looking forward to taking it on my trip.

Generally very good! The only reason it's not 5 stars is because it seems to be missing a few topics that would be helpful, such as the names of the months.

Fonud out from other travelers that a book is not needed as most places have capable English speakers

Simply easy to read and compact for travel. Fits in a purse and is easy to navigate.

I travel to Italy frequently' this was helpful. Small size convenient.

I purchased this for a trip to Italy. Unfortunately, everyone already speaks English in all 4 cities we visited (Rome, Florence, Venice, Naples, Pompeii, Capri). I don't think you will need any sort of phrasebook for Italy.

Bought this for my neighbor after having used it myself some years ago. I speak a bit of Italian (grew up speaking with my grandparents) but not as fluently as I once did. THIS little gem covers pretty much every scenario you might find yourself in, including (but not limited to) asking directions, finding the train station, finding a hotel/B&B/etc., restaurants and how to speak to your server, going to bars/nightclubs (some of the expressions are both hilarious AND quite "real". Someone bugging you? You can find retorts as "foul" as you'd like!). I highly recommend ANY of the Lonely Planet books. Helpful and FUN!

This is a pretty inclusive language guide, containing both phrases and a dictionary, which is just what I wanted. My favorite thing is that the size is just right: it's really a pocketbook so not bulky and hard to pack or carry. Great job!
