## Synopsis

Mongolia, "The Land of the Blue Sky", as it is called, is an amazing destination for traveling. Four times the size of Germany, it is the most sparsely populated land in the world. This coffee table book takes you on an exciting journey to the Mongolian shamans, reindeer-nomads, and eagle-hunters, presenting stunning landscapes of glaciers and deserts. It is the fifth coffee table book from Peter Voss, who is a multiple award-winning photographer.
