Insight Guides: Guatemala, Belize And The Yucat  n

Synopsis

Insight Guide Guatemala, Belize & the Yucatan is an essential guide to this colorful region, brought to life with hundreds of evocative photographs. Our inspirational Best of Guatemala, Belize and the Yucatan section highlights the area's unmissable sights and experiences, while a comprehensive Travel Tips section gives you all the practical information you need to plan your trip, and our selective listings bring you the best hotels and restaurants. Lavish magazine-style features offer a unique insight into certain aspects of this part of the world, looking at Mayan ruins, Guatemalan textiles and eco-tourism in Belize. A detailed Places section, with full-color maps cross-referenced to the lively narrative, guides you around the entire region, from Lake Atitlán in the Guatemalan Highlands and Belize's Barrier Reef to Chichén Itzá, one of the greatest Maya cities.

UK-based Iain Stewart has been visiting the Maya world since the early 1990s and has written over a dozen guide books and numerous newspaper articles about the region. He returns most years in search of yet more archeological ruins, national parks and cold cerveza.

This is from 2012, but is similar to one I had and gave away. Glad to have it since some things never change. Was in good condition.

I'll know more after the trip. The read at this point is great. The Insight Guides are great for travel and to sit on the coffee table!

Bought the Kindle edition! As always with insight guides one sees the country through their wonderful pictures! Great complement to Lonely Planet, Moon Guide or Rough Guide!

a1

Very helpful in informing on places and culture in Belize and Guatemala. We didn't visit the Yucatan

It's a great book, but not to take with you on your trip. It's very heavy and big. Otherwise, it's a ok.

Not as good as DK books.

Good reading but lacks more practical information to get to the places
